

# Blower Truck Preparation Check List

First, we would like to thank you for your order.

Now, there are a few things we need you to take care of before we show up to ensure this is a wonderful experience.

## **CHECK TRUCK ACCESS:**

- The Blower Truck is about the same size as a school bus, 43ft long, 13ft high and 11ft wide, 15 ft required for sharp cornering, Truck cannot go up hills with more than a 10% grade.
- Are there low hanging wires, limbs or branches or other height restrictions?
- Trucks are loud & dusty. Notify your Neighbors / Residence that we will be on site. Doors & Windows need to be closed and vehicles removed from site.
- Water features need to be covered (ponds, fountains, hot tubs, birdbaths, etc)
- Sprinkler system need to be turned off and sprinkler heads marked, as well as any landscape lights.
- Keep pets in doors and clean up ALL pet waste.
- Products do not match in color or grind continuously, so be sure to order all material needed for the job at the same time.
- Clean up: If it is rainy or wet our back pack blowers are not effective.
